Dear Parent/Guardian,

### School Milk

We are delighted to announce that we are reintroducing Cool Milk and will be providing milk for children from Monday 26<sup>th</sup> April 2021. If you wish your child to have milk, the first order must be made by 5.00pm on Tuesday 20<sup>th</sup> April 2021. Orders after this initial date will need made by 5.00pm on Tuesdays for the children to receive milk the following week.

School milk at mid-morning break is an important part of a child's diet. Milk provides a number of health benefits and social opportunities that ensure children get the most out of their school day.

As part of the School Food Plan, primary, infant, junior and secondary schools are now legally required to make milk available for drinking during school hours. Free school milk is available for under-fives as well.

School milk is free for all children who are eligible to receive income based free school meals. For all of our other pupils, the cost of the milk is subsidised.

Each pupil that registers with Cool Milk will receive a 189ml carton of semi-skimmed milk every day, which is delivered fresh and chilled. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting, it also bridges the gap between breakfast and lunch to help children stay focused.
